To

Messrs. The Igatpuri Electric Supply Company,
15, Forbes Street, Fort, Bombay.

Subject:- Control over the supply of Electrical Energy. Supply of energy at a new place in substitution of supply cut at another place.

Dear Sirs,

With reference to your letter No. I/523, dated the 12th October 1943, I am to state that responsibility of satisfying that no new electrical equipment is utilised by the consumers in cases of transfer of connections permissible under the Government of India Letter No.A.826, dated the 15th June 1942, as amplified by paragraph 5 of the Central Electric Power Control Board's memorandum No.A.855, dated the 20th January 1943, is primarily of the Electricity Supply Undertaking concerned, which may satisfy itself by a certificate from the wiring contractor in that respect as proposed.

2. As regards the authority to whom such cases are to be reported, your attention is drawn to this Government letter No. 1932/36-El, dated the 16th July 1942, which directs that such cases should be reported to the Deputy Secretary to the Government of Bombay, Public Works Deptt. Bombay, with details regarding the old and new place and the purpose of the supply.

Yours faithfully,

C. G. KALE,

Deputy Secretary to the Government of Bombay,
Public Works Department.

To

Messrs. The Bombay Suburban Electric Supply
Company Limited, Bandra.

Subject:- Supply of electric power sanctioned
for the duration of war.

Dear Sirs,

With reference to your letter No. 3220/8/45, dated the 20th September 1945, I am to state that the supply of electric power sanctioned for the duration of war should be continued in all cases if required ~~if~~ by consumers until orders to the contrary are issued by Government.

Yours faithfully,

Sd. A. R. Thomas.
Deputy Secretary to the Government of Bombay,
Public Works Department.

El. Br.(II).

Submitted with a draft for approval as verbally directed by D.S.

Id/-
20/3/47.

Reference is requested to the G.L. O p.3. most of the consumers who had obtained El. Supply during the war have now converted to peace time industries. There seem to be no objection to make all these loads which are already on, permanent.

2. As El. materials are now freely available it is no longer necessary to insist on the condition that no additional material will be required when load is transfered from one place to another.

3. A circular letter is proposed to be/a-ddressed to al the controlled licensees to give effect to the above suggestions. This is put up for favour of approval.

Relaxation of -

~~Dear~~ .....

P.T.O

Dear Sirs,

With reference to Government Letter No. 8.59/18/31195-El(II), dated the 23rd October 1945, I am to state that Government is pleased to direct that all loads upto 50 KW. sanctioned during the war for specified periods should be continued permanently, if required by consumers.

2. Such loads in excess of 50 KW., sanctioned on the Tata System, should be continued, if required by consumers, on condition that the supply will be curtailed or cutoff, without notice, in case there is any trouble with the generating system.

3. With regards to transfer of loads, I am to invite your attention to Government letter No. 1932/36-El. dt. the 15th December 1943, and to state that heretofore transfer of load from one place to another should be effected provided no additional material was used either by you or the consumer in effecting such transfer. You are now permitted to effect transfer of loads even with the use of additional materials, provided the load in each case remains unchanged.

4. Any action taken by you in pursuance of the orders contained in this letter should, please, be reported to the Electrical Engineer to Government, Bombay.

Yours faithfully,

Sd. G.N.PANDIT,

Deputy Secretary to the Government of Bombay,
Public Works Department.
